Dear Lambton Centre Seasonal Campers:

The turn in the weather is unfortunately reminding us that the 2011 camping season is quickly coming to a close. The Board of the LUCC extends their appreciation for your continued support and trusts that you had an enjoyable camping season.

We wish to extend our appreciation to the Camper's Committee for your time organizing numerous fun events for the campers and representing the interest of all campers by your feedback to the Board. A year which began with some worries related to restructuring has become significantly more optimistic and financially stable.

With this thought in mind, we are hopeful that you can once again join us for the 2012 camping season.

Attached to this letter you will find two documents:

1. The 2012 Seasonal Rates & Payment Schedule
2. The 2012 Seasonal Contract

Please sign the contract and forward your first installment by October 15, 2011.

It should be noted that all campers in the 2012 camping season will be on a 30 amp service. This decision was taken to provide greater safety for all campers. As you are aware, our electrical system was pushed to the edge of its limits during the hotter than usual summer. All campers who are currently not on a 30 amp service will see a \$110.00 increase to your seasonal rate to bring you into line with campers who are already on the 30 amp service.

The Board has determined that there will be no other increases to the "seasonal rates" in 2012.

If you have questions/concerns, please give Michele a call at 519-786-5663.

Modifications to the Seasonal Contract have been made to provide greater clarity to the intent. It is recommended that you read the contract carefully and be fully aware of the content before signing. It would be great to have you as a part of the LUCC family of supporters in 2012.

Please let us know how we can make your camping experience even better in 2012. Check the Lambton Centre web (www.lambtoncentre.com) for announcements and updates over the winter.

Appreciatively

Bill Yates
